

****IMPORTANT NOTICE FOR CREDIT CARD HOLDERS****

****UPDATE TO ELECTRONIC STATEMENT SERVICE AGREEMENT****

Dear Valued Members,

As a part of our new enhanced credit card program we are now extending our electronic statement services to include credit cards.

If you are currently enrolled in electronic statements for your savings and/or checking account with United Local Credit Union, your monthly credit card statement will automatically be delivered electronically.

Your monthly credit card statement will be available in your online banking, the same as your monthly account statement. You may download and save these statements to your PC if you wish, or you also have the option to print them.

If you wish to receive a paper statement each month, you must un-enroll from electronic statements by logging into your Online Banking and going to the Services Tab.

If you have any questions or concerns, please contact Member Services at 559-227-8329 Option 2.

Thank You & Have a Wonderful day!
